

## Are you an adult survivor of Traumatic Brain Injury (TBI) or a Caregiver?

Come join us for a new support group!

### *Speaking of Brain Health...*

- Share your experiences with others who have been affected by TBI (Caregivers & TBI survivors will meet separately).
- Share your concerns, issues, and feelings in a safe environment while we all learn adaptive tips from one another.
- We plan to develop the coping skills needed for a bright, successful future.
- Explore new possibilities with new friends and register today!
