

“Transitions” Support Group

Three locations to serve you!

If you or someone close to you has experienced a neurological injury or disorder such as traumatic brain injury or stroke, you know the road to recovery is a long and difficult one for everyone involved.

The needs of those living with brain injuries are complex and change over time. We would like to offer you an opportunity to reach out and build a network of support for you and your family within your community. Come join us to continue your journey of recovery!
